

NetterVibration
Declaration of Conformity for
control cabinets and on/off
switches

March 2023
No. 4905E

Declaration of Conformity
according to the
Electromagnetic Compatibility-Directive 2014/30/EU
and the
Low Voltage Directive 2014/35/EU

Hereby we declare that the control cabinets and on/off switches of the
series NSS

are conform to the requirements of the directives referred to above.

The control cabinets and on/off switches series NSS are for timed control of electric or pneumatic vibrators.

Applied harmonised standards are:

DIN EN 60204-1
DIN EN 61000-6-4
